Re: New Staff – Regional Education and Certification Coordinator (18-01)

Date: January 10, 2018

memo

It gives me great pleasure to announce that Corey Petrie is the successful candidate for the position of Regional Education and Certification Coordinator for the Centre for Prehospital Care.

Corey has been with the program as a Paramedic Practice Coordinator since 2009 and has proven himself to be an excellent leader, team member and relationship builder. He has previously proven himself successful in this role on an interim basis in 2012/2013.

With a background as an Advanced Care Paramedic on both air and land, Corey continues to maintain his connection with direct patient care as a casual part-time Primary Care Paramedic with Nipissing Paramedic service.

Corey is a Nationally Certified EMS Educator, BLS and ACLS instructor, has completed the National Certified Investigator Training to the Specialized Level, and has completed adult education course work with the Ontario Hospital Association. Corey will be splitting his time between our North Bay and Sudbury offices; his contact information is unchanged.

Please join me in welcoming him to his new role.

Nicole Sykes
